MVLCF news

Hi Library Supporters!

Good news from the MVLCF Board! Fundraising for the new library project continues and is the primary mission of the foundation. We are thrilled to report the result of the first charitable gaming event we hosted at Filotimo's Casino & Restaurant in April. Five days of gaming resulted in almost \$18,000 for the project. We have a chance to raise even more at Filotimo's from June 15th-19th. The Board will be there on Friday June 16th from 5-7 for an MVLCF happy hour. We'd love to have you join us to kick off Father's Day Weekend in style. Click the link at the bottom of the email to check out Filotimo's full calendar of events.

Get out your calendars and **SAVE THE DATE!** for the biggest nonprofit giving day in NH! Make a donation on **June 6th-7th** to the Mont Vernon Library Charitable Foundation in support of a new library for the Town of Mont Vernon, NH. MATCHES! Every donation counts! This year, we've set our NH Gives goal at \$25,000. Thanks to a generous match from the Sophia G. Daland Trust, the first \$10,000 in donations will be **100% MATCHED!** In addition, the National Endowment for the Humanities grant will match all donations at **25%!** This means \$100 donated during Sophia's challenge nets \$250 for the project. Check with your employer - they may match your charitable donations to add even more!!

INCENTIVES & PRIZES! NH GIVES has so many prizes this year! Last year, we won a prize for the most unique donations to a nonprofit in the Nashua area. Amazing! This year, you can help us win the **\$5,000 POWER OF COMMUNITY** prize for the "largest number of unique online donors between 5pm on June 6th and 5pm on June 7th. Every donation counts! Big or small they count them all! We are encouraging multiple donations per household to help drive our numbers up! For a full list of possible prizes visit the link below. Thank you to our amazing donors for your continued support! We look forward to seeing all your names on the NH Gives leaderboard as unique donors!

The Library Trustees have been diligently meeting with groups and organizations to address project concerns to be ready to ask for a new library again next March at Town Meeting. Raising money to reduce the project's tax impact has always been the strategy and continues to be our goal. With your help the Foundation will be working over the next several months to raise even more funds to make the dream of a new library for the Town of Mont Vernon a reality *next year*. Every donation helps us get closer to the goal!

Thank you for your continued support.
