## MVLCF news

*Hello Library Supporter!*

As always, we love to share good news with our supporters...The “One for the Books” Library Charity Auction on Thursday, Nov. 2nd was a **HUGE** success! Thank you to all of our ticket holders who were able to attend in person and our online bidders. We’re proud to share that there were **20** generous event sponsors, **106** auction items were donated, **130** guests attended and bid on items to help us raise **\$54,000** in one evening! Add in the National Endowment for the Humanities grant match to that and we can look forward to pushing the fundraising thermometer up another **\$70,000!!** Special thanks to our fantastic auctioneer, Steve Demarais from NH Custom Builder, the talented members of The Incidentals for the amazing music, and the staff of Hampshire Hills Event Center and Grace Angulas of Graceful Baking for the delicious food and drink. On behalf of the One for the Books Committee, thank you all for a fun filled evening and for your incredible generosity!!

Giving Tuesday is right around the corner on **Tuesday, November 28th**. In the past, we have asked our supporters to donate to MVLCF on this global giving day. This year, we would like to say **THANK YOU** for giving to us so generously already this year AND over the last eight years and encourage you to support another local charity this year instead.

Together we give.
